From 136

From (114) Barrington or Bristol

We are located at 17 Croade Street in Warren, Rhode Island just behind the Warren Library on Main St. (Rt. 114). There is plenty of parking behind India restaurant.

- If coming by bus, Bus 60 will drop you off right at the Warren Library.
- If driving from Barrington or Bristol on 114, come into town until you get to Joyce Street. On the corner of Joyce and Main is Delekta Pharmacy. You will turn on Joyce street toward the DMV/Registry and continue to the end of the block where the street ends. Turn right and follow the access road up one block to Croade Street, where you will make another right and go up about half a block. You can park in the lot behind India Restaurant. The office is located in a white house (17 Croade Street) directly across the street from the parking lot. The George Hail Library is on the corner across Croade from India Restaurant.
- If driving from 136, turn on Child Street (103) toward Warren city center and follow it to Railroad Ave. (just before the Post Office). Turn left there, go to the end and turn right. This is Croade Street and we are the little white house just behind the library.
