

LVEB Helping out Rotary Club of Warren/Barrington at This Year's Annual Quahog Festival

Warren's Annual Quahog Festival is Saturday, July 17 and Sunday, July 18. We need your help!

Every year Literacy Volunteers of East Bay sends a large group of volunteers to help out at Rotary Club of Warren/Barrington. In return, the Rotary Club helps support our program with much needed funds. **Grants from the Rotary are based on the number of volunteers and hours we provide to the festival!** This last year we received a \$2,000 donation based on our participation. With more volunteers we can easily top that donation this year!

LVEB staff, board of directors, tutors and students will help other community volunteers serve thousands of littlenecks on the half shell and stuffed quahogs, hundreds of pounds of shrimp cocktail and boiled lobsters, as well as clam chowder, clam boil, lobster rolls, bay scallops, fried fish, clams and calamari.

You can choose to work in whatever capacity you are comfortable. They need volunteers to run cash registers, bus tables, husk corn, and prepare and serve food. So come on out, have some fun, and help the Rotary and LVEB get off to a successful year.

The first 25 folks to sign up will receive an official LVEB T-Shirt. You can pick up your T-shirt at LVEB on the Thursday before the Quahog Festival between 9-5. Adult family members are able to volunteer for LVEB as well!

To sign up or get more information, call LVEB at 247-2177 or email us at literacy@lveastbay.org.

The Quahog Festival will take place at Burr's Hill Park, located across from the Warren Town Beach, Saturday, July 17th, 11am-8pm, and Sunday July 18th, 11am-6pm.

You can come as early as 9am to help set up and work as many hours as you are comfortable!

On the day of, come to the Rotary Information Booth at the Midway to sign in. There you will be directed to your service area.

You can bring the family. There will be pony rides and face painting for kids, live bands, 45 craft booths and more than 40 artists at the juried art festival. Admission is free.

Proceeds of the festival are used to benefit LVEB as well as other community organizations including youth organizations, scholarships, scouting programs and substance abuse programs.

[We will also have a LVEB informational booth at the Quahog festival this year. Let us know if you would like to help out and answer questions about LVEB.](#)
